

LampGard

Headlight Protection

⇒ WeatherTech LampGard is an optically clear film that protects costly vehicle headlamps, turn indicators, parking lights and fog lights. The LampGard also helps prevent scratches and cracks from road debris.

⇒ LampGard

Protect your lights with the WeatherTech LampGard designed to specifically fit vehicle headlamps, fog lamps and turn indicators. LampGard is an incredibly tough 40 mil. thick, double-polished urethane material that is optically clear and applies (peel & stick) directly to the surface. This product has built-in ultraviolet inhibitors that help prevent the material from drying, hardening or discoloring. We custom die-cut to fit your specific vehicle for a precise, perfect fit.

⇒ Easy Install

LampGard comes with easy-to-follow instructions and applies to headlamps, fog lamps, turn indicators and parking lights (when applicable) to protect them from scratching, cracking and pitting. LampGard is available for most vehicle makes and models. Some applications are built to order so please allow 14-21 days for delivery.
